

PRODUCT DESCRIPTION

CCI-210 COLOUR PACK is a pre-measured dry mix of specialized iron oxide pigments in a proprietary blend used to colour cementitious construction material. Colours similar to the CCI-100 Colour Chart can be achieved when using

CCI-400 Concreation Overlay Products with CCI-210 COLOUR PACKS.

FEATURES AND BENEFITS

- Adds beautiful colour to any cementitious based construction product
- Packaged in neat and convenient jars for storage
- Colours are vibrant, intense and long lasting
- Formulated to match CCI-100 Colour Chart when used 1 to 1 with **CCI-400 Overlay** products
- Complies with ASTM C979

DIRECTIONS FOR USE TO ACHIEVE MAXIMUM COLOUR DISPERSION

Mix **CCI-210 Colour Pack** into wettened cementitious product with a paddle mixer—do not mix **CCI-210 Colour Pack** into dry mix, product will not disperse properly. Mock-up/testing is recommended for accurate results.

CAUTIONS/SAFETY

Refer to Material Safety Data Sheets for further information.

SHELF LIFE

Indefinitely if protected from moisture, 1 year-2 years.

DOSAGE

1 - 1lb/.45kg container of **CCI-210 Colour Pack** will colour approx. 20 lb/9.07 kg of cementitious material—colour can be adjusted as desired, do not to exceed 5-6% of weight of cement content or strength may be affected.

PACKAGING

CCI-210 Colour Packs are packaged in easy to keep clean containers for ease of transport, storage and protection of the product.

LIMITATIONS

The final colour of the mixed product can be affected by many factors. It may be a function of the basic concrete mix ingredients (fine aggregate, coarse aggregate, water, weather, finishing techniques, experience of the applicator) Dosages prescribed are based on mixes with cement based – use cement content only when calculating how many CCI-200 COLOUR PACKS to use - product testing/mockup is always recommended.

WARRANTY

CCI-210 COLOUR PACK is warranted to be of uniform quality within manufacturing tolerances. Since control is not exercised over its use, no warranty, expressed or implied, is made as to the effects of such use. Seller and manufacturer's obligation under this warranty shall be limited to refunding the purchase price of that portion of the material proven to be defective.
